MAGNIFY & MATCH

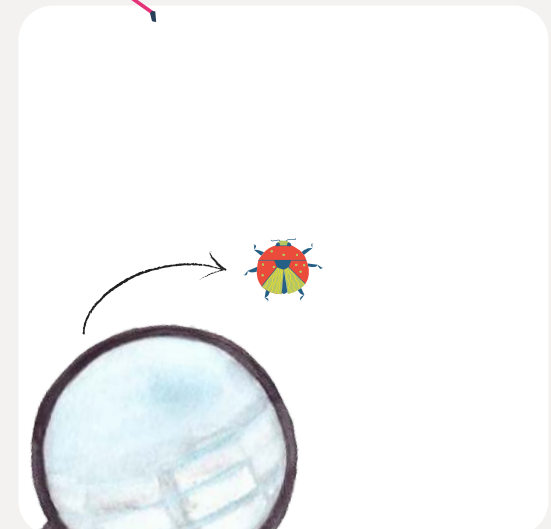

Included in this PDF

15 Minibeasts magnify & match pairs

Note that print/colour quality depends on your printer & paper. We recommend printing on 200gsm cardstock.

We recommend printing 'Print to Size' settings for less cutting. Sometimes printers can add a margin so please be aware of that when cutting.

HOW TO USE

Give your child a magnifying glass, and have them use it to magnify and identify the small Minibeasts, and match them with their identical large Minibeasts.
